Notes:-

- Allergen Advice: If you need allergen information of any products not listed in the table above, please ask a member of staff.
- All allergens are highlighted above in bold. For cereals containing glutens, the source of the gluten is in bold
- KFC (UK&I) is committed to provide allergen information in store for all of its products of the 14 mandatory allergens (Cereals containing gluten, crustaceans, eggs, fish, peanuts, soya beans, milk, nuts, celery, mustard, sesame seeds, sulphur dioxide & sulphites, Lupin & Mollusc) Allergens that are contained in the products listed are displayed in the table above
- Data above is derived by analysis and are averages of composite food samples. Products may be subject to some variation depending on ingredients used, supplier & seasons of the year. Therefore products described above may not be identical to the product served in a participating restaurant.
- All Calorie (kcal) and kJ information above are rounded to the nearest 5.
- All nutritional data is per serving, the number of portions of fries included indicates the number of servings in that item
- KFC (UK&I) GM Statement: Our research shows that UK customers don't want genetically modified foods in KFC products; so naturally we have ensured none of our products contain genetically modified ingredients.
- All information given is correct as of July 2017, and subject to change without notice.
